

Come and enjoy South Africa this year!

What do you think of sunshine and 25 degrees? Endless walks along the beaches of the Indian Ocean with a nice breeze around your head? Would you prefer seven hours of sunshine or twelve?

Have a look at our specials for **April – August 2008**. We've got something for every wish!

If you are spontaneous the Cormorant Guesthouse will bring South Africa and especially Wilderness in the heart of the Garden Route to you.

The **Mediterranean climate of South Africa** will give you a great experience with an optimum stay from 7 till 14 days.

Enjoy the sun, watch the **dolphins and whales** passing by the **endless beaches**, play at the most beautiful golf courses in the world and see the unique flowering of the **Protea**. And additionally we would like to give **another seven reasons** to spend your vacation in Wilderness.

You will profit from our special rates and the seasonal airfares.

Kind regards,

Yours truly,
Cormorant Guesthouse.
